

MATE OR MEAL CHARACTER LIST

This document contains details regarding the Mate or Meal series, so you can keep better track of all the families without having to continuously go back to previous books. Not all the characters are listed, but if I've missed a relevant one, feel free to email me.

However, please note that even with the list's help, the series can be enjoyed fully only when the stories are read in sequential order. Of course, if you haven't read one of the books, this document will contain spoilers.

Note: This document is updated up to book fourteen. Additional characters will be added as the series progresses.

The Williams-Wade family

Kevin Wade - elder werewolf, Brody, Soren and Isaac's father; meets his mate Annabelle through her connection with his son's mate

Annabelle Wade – ewe-shifter, Kevin's mate and Isaac's mother
